

## KEYNOTE PRESENTATION Not ALL the Monkeys are in the Zoo!

Have you ever noticed that there are people in the world who are “different from you”? Don’t you wish that you could understand them, or even make them more like you ... so they would be perfect!

What about the “Beige Buick Syndrome”? How do you know if you have it? Come and listen!

Laugh and learn about the different personalities that surround you through stories and examples that will have you laugh and nudging as you identify yourself and the people in your life. High energy, great stories and the perfect kickoff to your event!

This high energy and fun presentation is appropriate for all audiences both youth and adult. Freddi tells excellent personal stories and shares life insights that will have you in stitches in no time! Laundry, kissing and light bulbs are all fair game in this entertaining and educational introduction to understanding the personalities in yourself and others around you. Past participants have reported an increase in workplace effectiveness and sales as a result of their attendance.

**Time:** 45 – 60 minutes

**Travel:** Freddi travels from Southern Alberta and is available country wide.

**Permission:** is given to video tape the presentation for internal distribution. A copy for Freddi is requested.
